

Request for a Jurisdictional Determination

This format can be used when you want to determine if areas on your property fall under regulatory requirements of the US Army Corps of Engineers. Please supply the following information and supporting documents described below. This form can be filled out online and then printed. **It must be signed by the property owner** to be considered a formal request. Submitting this request authorizes the US Army Corps of Engineers to field inspect the property site, if necessary, to help in the determination process. The printed form and supporting documents should be mailed to:

Regulatory Branch
