- Highways
- Major Roads
- Minor Roads
- Sections
- Municipalities

This map was produced under the Advanced Identification (ADID) Program of the U.S. Environmental Protection Agency and the U.S. Army Corps of Engineers. Descriptions of the wetland inventory methodology and the wetland, lake, and stream designation criteria are available in the McHenry County ADID Study Methodology. Maps prepared by the Natural Resources Department of the Northeastern Illinois Planning Commission.

The wetland boundaries shown are not jurisdictional delineations.
