**SUBJECT: Fall 2022 Lake Winnebago Regulation Meeting**

**To Our Lake Winnebago Partners:**

You are invited to attend the interagency coordination meeting concerning the regulation of the outflows from Lake Winnebago into the Lower Fox River. The meeting will be held at the U.S. Army Corps of Engineers, Chicago District, Lake Michigan Project office located at 2619 E. Capital Drive, Appleton, WI 54911. We will hold the meeting on Tuesday, October 4, 2022 at 6:00 PM (CDT).

This is an interagency meeting that will be open to the public. It is being conducted to exchange information between the Corps of Engineers and representatives of other groups that have expressed an interest in the water resources management of the Lake Winnebago Basin.

The meeting agenda is as follows:

- a. Regulation Actions, October 2021 - September 2022
- b. Regulation Strategy, October 2022 - September 2023
- c. Other Items of Concern

Pertinent information regarding Lake Winnebago is posted on our website at:
