20 August 2013

Recipient

Dear Recipient:

Enclosed is an Environmental Assessment for an ecological restoration project at Ravine #8, in Highland Park, Lake County, Illinois. This documentation was prepared in accordance with the National Environmental Policy Act of 1969 and is being distributed for your review.

This ravine restoration project will naturalize the ravines' existing heavily modified hydraulics. It will also include the removal of non-native invasive plants, and the planting of native plant species.

Comments must be received within 30 days and may be sent to Peter Bullock, U.S. Army Corps of Engineers, 231 South La Salle Street, Suite 1500, Chicago, Illinois 60604, or by email at peter.y.bullock@usace.army.mil. Questions should be directed to Mr. Bullock at 312/846-5587.

Sincerely,

//Original Signed//

Susanne J. Davis, P.E.
Chief of Planning Branch
