RE: IFC2017003, request for an IDNR/ICMP Federal Consistency Concurrence by the U.S. Army Corps of Engineers, reissuance of its Nationwide Permits

Dear Mr. Wozniak,

Thank you for the letter dated January 30, 2017 requesting concurrence with the U.S. Army Corps of Engineers, Chicago District's (USACE) determination that its reissuance of its Nationwide Permits complies with the ICMP's enforceable policies. After reviewing the USACE's request the ICMP concurs with the USACE's determination that the USACE'S Nation Wide Permits are consistent with the policies of the Illinois Coastal Management Plan.

This concurrence is valid for the life of the Nation Wide Permits and should be reapplied for when they are renewed. If you have any questions, feel free to contact me at (312) 793-5947 or james.casey@illinois.gov.

Sincerely,

James P. Casey
