

SOIL EROSION AND SEDIMENT CONTROL CONSULTING FIRMS

Last Updated March 2020

The following list specifies local firms which provide Soil Erosion and Sediment Control (SESC) services related to Regulatory activities within the Chicago District boundaries. This is provided as a courtesy for persons seeking consulting expertise in Will and South Cook Counties, Illinois. For North Cook, DuPage, Kane, Lake, or McHenry Counties, please contact the local Soil and Water Conservation District. The Chicago District has made no attempt to verify the credentials of these firms. The inclusion of a firm on this list does not constitute a recommendation, endorsement, or certification of its qualifications or performance record. It is the responsibility of consultants to be knowledgeable of the professional qualifications necessary to provide such services and to obtain the requisite expertise. The Chicago District personnel will not provide any recommendations. Those seeking professional services are advised to utilize independent judgment in evaluating the credentials of any firm appearing on this list.
